A quick tour through town

Killarney's Broadway Avenue.

Welcome to Killarney – a small town with a big heart.

And a lot to do. The kids can enjoy the new splash park, and you can take in some serious golf, launch a boat, swim at the beach, or set up in a number of leafy campsites. There's restaurants, a liquor store, a large food store, and pharmacy, and of course our extensive health centre – to name just a few of the town's many amenities.

Here's how to find some of them.

From Highway 3: You can pull north into Killarney from Hwy 3 onto Water Avenue. The town's historic water tower is visible just to the west at this turn.

As you travel up Water Avenue, you will see the Emerald Isle Motel on your left, and the popular, seasonal, retro-1950s Beach Hut diner (complete with mini-golf) on your right.

Maybe people flock to the take-out and diner because it's right across from the leafy and forested Erin Park, with its sandy beach, the splash park, BBQ pits (with firewood), washrooms, change rooms, and a smoothly paved walking trail that winds along the shore of Killarney Lake. Numerous summer events take place each year here in the park, geared to both youngsters, and to those a little less youthful.

Continuing towards town, and looking right, is the expansive Ag Grounds (with their connected

campground), and also the entrance to the newly restored and re-invented Heritage Home for the Arts, a vibrant arts centre with regular gallery exhibitions, music events, and a variety of ongoing creative workshops.

Driving along, you will cross the Water Avenue Bridge, with Killarney Lake opening up beside you on the left, and the bay and campsite boats shining on your right. The road then swings around to the east here, becoming Park Street, and if you hang a left on Broadway Avenue (keep an eye out for the beautifully manicured Centennial Park garden on your right at this signposted corner), you will be heading straight into the town's business centre.

Business District:

Driving north up Broadway, you will spot a number of beautiful heritage houses (designated with lawn signs), and then the Play Park on your right, situated on the town's peaceful Green Space. This is also the location for the town's popular Farmers Market, held each summer on Saturday mornings. Nearby is the Co-op gas bar and convenience store, a Subway, plus the big Co-op food store.

Centennial Park.

Business District

Broadway Avenue's popular play park.

Entering Killarney's town centre, you will find restaurants, the post office, a bakery, florist and gifts, hardware stores, banks, hair salons and a spa, insurance providers, and a law office.

There's also a government liquor store, travel agency, a phone and computer provider, major car dealership – and more.

Across Broadway from the Erin Inn Motor Hotel (which includes a restaurant, bar, and beer vendor), is the Killarney Place mall, featuring an Irish-flavoured pub restaurant and marketplace (with adjoining public restrooms), a quality shoe and workwear store, a top fashion outlet, large pharmacy, denturist services, giftware and florist, plus a huge furniture showroom, and more.

Situated at the corner of Broadway and South Railway is a spin cycle studio, and across the street is a special memorial park, named for the late Keith Heming, the founder of the Killarney Foundation. A few blocks past the tracks, and on your left, is the Shamrock Centre, and its next-door neighbour the Wilderness Inn Motel (complete with authentic stuffed bears and alert deer occupying the lobby).

You can bowl in the rec centre, curl, skate, play hockey, enroll in dance and fitness classes, work out in the gym – and also use the spacious washroom facilities here to freshen up after your trip. The Shamrock Centre is also a prime location for a number of major sports, economic, and business events scheduled throughout the year.

Going back to South Railway Avenue, and turning left (east) brings you to the municipality's recently completed million-dollar fire hall, with its five bays, plus room for the fire fighters to both train and clean up after callouts.

Across the road is the Mary Ann Moore Wellness Centre, which offers a long list of esthetician services, plus yoga, therapeutic massage, a salt pool, whirlpool and sauna, a floating cabin, plus dietitian and foot care services. Special weekend events also take place in these modern, beautiful new premises.

And that's only a taste of what the town has to offer.

Read on to find out more about everything Killarney.

Enjoy your stay – and we hope you come back for more.

Killarney ~ There's No Better Place!

Parks and Beaches

Erin Park's soft sandy beach provides hours of fun.

Killarney Lake

During the lazy days of summer, Killarney Lake is the hub of outdoor activity. From swimmers to water skiers, canoeists to fishing enthusiasts, everyone can find space to call their own. A boat launch and marina are situated on the quiet bay just outside Erin Park. Inside the park is a buoyed swimming area, sandy beach, washrooms and change rooms, and a new splash park, all helping to provide the perfect blend of summer recreation.

It'll be party time at the beach this summer, with plenty of well groomed sand and several volleyball courts.

Erin Park

A meandering paved path leads strollers along an unspoiled shoreline, through a mature grove of elms and oaks, and past the Shamrock Fountain and the Blarney Stone. Over the rise, beside a shaded picnic area and horseshoe pitch, is the sunny expanse of a fine sand beach. Park visitors enjoy the convenience of picnic shelters, washrooms, showers and change houses, plus beach volleyball courts. A motel, campgrounds and restaurant are all located within one block of Erin Park.

Health Care

Garden courtyard at Bayside Personal Care Home.

Nothing is more important than the health and wellness of those visiting Killarney, and those who call the community home. Providing the best health care in a comfortable rural setting is one of the community's top priorities.

Highly qualified medical staff, including doctors, nurses and technicians, create a team that provides professional treatment and services to Killarney-Turtle Mountain and the surrounding area.

Killarney is a regional centre for the delivery of health and community services.

The Tri-Lake Health Centre, a modern facility with an attached personal care wing, provides the best in medical care. Acute care, along with 24-hour urgent care services, is available at the local hospital, along with palliative care and a host of other important services including a lab facility, ultrasound unit, and a state-of-the-art xray unit. A team of doctors takes appointments, including walk-ins, at the adjoining medical clinic.

This is also the site for MB Telehealth, which links patients from southwest Manitoba to specialists across the province via live video and audio.

A long list of other health professionals provides a variety of medical services to the community. Dentists, optometrists, registered massage therapists, and a chiropractor serve the needs of patients from Killarney and the surrounding area.

The skills of pharmacists, physiotherapists, and dieticians are also readily available. The public health unit oversees community care from prenatal classes to care for the elderly.

Medical/Nursing

The Acute Care hospital has 22 beds, three observation beds, and two treatment rooms.

Bayside Personal Care Home next door has 60 beds, and a beautiful interior courtyard for residents.

These two areas provide opportunities for physicians, registered nurses, licensed practical nurses, and health care aides.

The health centre serves an area of approximately 5,800 people. From May long weekend to September long weekend, approximately 200 cottages by Killarney Lake and 1,000 cottages surrounding Pelican Lake are occupied. As well, numerous campgrounds in the area are filled to capacity with hundreds of visitors. During the summer months the population of Killarney-Turtle Mountain Municipality doubles in number.

Killarney Airport is used for emergency transfers by STARS helicopters and other medevac aircraft, like this Twin Otter. Patients can be transported quickly to centres such as Winnipeg.

Emergency Services

Safety is a priority in Killarney as well. The RCMP staff a detachment in the community, and police, along with ambulance, fire, and rescue, provide excellent emergency services to the community and surrounding region. STARS air ambulance and LifeFlight services are also available out of the local airport, just minutes south of Killarney.

Agriculture

Inland grain terminals load up railway cars.

The Municipality of Killarney-Turtle Mountain and surrounding area are deeply rooted in agriculture. This industry, which serves as both an economic and cultural cornerstone, has stood the test of many changes and challenges for more than a century. Both the town and the surrounding rural area continue to prosper and grow as an agribusiness centre.

Flowering, fragrant canola borders corn, wheat, barley and oats in farmers' fields. Numerous specialty crops, including soybeans, millet, and sunflowers, are also grown.

Producers from a large trading area come to Killarney for the inputs they need to grow a strong and healthy crop, to upgrade or service their equipment, and to market their commodities.

Known as the wheat capital of Manitoba, Killarney features three inland grain terminals and two state-of-the-art feed mills. Implement dealerships representing major manufacturers are located in Killarney, in addition to machine and welding shops and modern service centres.

There is a well-known auction mart and a veterinary clinic to accommodate the needs of numerous livestock producers.

Agribusiness is an integral part of the local economy, which includes large seed and seed cleaning operations, and numerous hog barns.

The agricultural community is constantly working to keep up with changing technologies, tap into food production trends, and is strongly supported in their efforts to add value to their products.

Killarney has a plan to take advantage of any opportunity that finds a fit with the community.

Killarney's \$30 million HyLife feedmill was completed in the summer of 2018.
